- A dully filled vendor form
- Price Schedule (as per BOQ attached)
- Letter of Commitment confirming delivery timelines
- Bank Account confirmation letter

4. BILL OF QUANTITY (BOQ)

Note: The detailed BOQ is attached; however, we encourage all interested parties to schedule a site visit before confirming their commitment to the next steps.

I. PAINTS

This scope of work includes the supply and application of first-grade, high-quality, cleanable silk vinyl emulsion paint across various areas. All work to meet approved standards and specifications as per detailed BOQ.

II. FROSTED WINDOWS AND DOORS

This scope of work includes the removing existing blue films and supply and installation of grey frosted strips/bands on doors and windows as specified. All installations to comply with approved standards and specifications as per detailed BOQ.

III. OUTSIDE BOARDS & SIGNALITICS

This scope of work includes the supply and installation of outside boards and signages at specified locations. Works include Street Light Board, removing old logos; Front Street Light Board; Wall-Mounted Light Board, removing old logos. All installations to comply with approved standards and specifications as per detailed BOQ.

IV. INSIDE LOGOS

This scope of work includes the supply and installation of inside logos and signage. Works include a direction board, and an opening hour sign at entrance doors. All installations to be executed to approved standards and specifications as per detailed BOQ.

V. DOORS & WINDOWS MONOGRAM

This scope of work includes the supply and installation of monograms on doors and windows at specified locations. All installations shall be executed in accordance with approved standards and specifications as per detailed BOQ.

VI. KITCHEN WORK

This scope of work includes supply, installation, and repair works in the kitchen and adjacent areas. Works include repair of a metal cable box; supply and installation of a granite countertop; repair of kitchen cabinets using MDF; repair of the kitchen sink with necessary accessories; and demolition and replastering of humidity-affected areas in the kitchen and corridor. All works to be executed in accordance with approved standards and specifications as per detailed BOQ

VII. OTHER WORKS

This scope of work includes various additional installations and repairs. Works include covering the arc on reception with gypsum board; producing and installing 3D logo of Cerba Lancet Rwanda in clear acrylic; supplying and installing a branded office table with three separated seats; repairing cracks on walls; removing old paint, fixing, and repainting wooden plinths in white. All works shall be carried out to approved standards and specifications as per detailed BOQ
