

1. Introduction and Executive summary

This tender document is submitted in response to the opportunity to provide inland transport services for containers from the ports of Dar es Salaam (Tanzania) and Mombasa (Kenya) to designated inland destinations. The bidder represents a formal offer to provide these logistics services with full knowledge of the operational requirements, safety standards, and regional transport regulations.

1.1 Scope of Services

The bidder undertakes to provide reliable transport for the following container categories:

- 20' Foot Light: Standard 20-foot containers within standard weight limits.
- 20' Foot Heavy: 20-foot containers carrying heavy cargo requiring specialized tri-axle trailers or weight-compliant permits.
- 40' Foot Containers: Standard and High-Cube 40-foot containers.

2. Pricing Schedule (Tender Offer)

Rates should be inclusive of all transit fees, fuel surcharges, and road tolls.

Route (From Port)	Container Type	Rate (Currency)	Estimated Lead Time
Dar es Salaam	20' Foot Light		
Dar es Salaam	20' Foot Heavy		
Dar es Salaam	40' Foot		
Mombasa	20' Foot Light		
Mombasa	20' Foot Heavy		
Mombasa	40' Foot		

3. Operational Terms and Conditions

3.1. Tender Validity: This offer remains valid for a period of 90 days from the date of submission.

3.2. Fleet Condition: All vehicles are offered on an "as is" basis regarding their current technical specifications, but the bidder guarantees they meet all regional transport safety standards.

3.3. Insurance: The bidder confirms all shipments are covered by Goods in Transit (GIT) insurance.

4. Compliance and Legal Status:

The bidder acknowledges and confirms:

- Licensing: Possession of valid transport licenses for both the Northern Corridor (Mombasa) and Central Corridor (Dar es Salaam).
- Due Diligence: The bidder has performed due diligence on the routes and border requirements (e.g., Rusumo, Gatuna, or Malaba).
- Financial Capacity: The bidder has the financial capacity to execute the contract and manage operational costs

5. Supporting Documentation

The following documents are attached in support of this tender:

- Company Registration Certificate and Transport Licenses.
- Proof of Fleet Ownership or Lease Agreements.
- Valid Goods in Transit (GIT) Insurance Certificate.
- Bank reference letter or proof of financial capacity.
