

## **VACANCY ANNOUNCEMENT**

DP World Logistics Rwanda, would like to recruit qualified and experienced **Mechanics**

### **Key Responsibilities**

- Carry out diagnosis, servicing, and repairs on forklifts (mechanical, hydraulic, and electrical systems).
- Perform preventive and corrective maintenance in line with manufacturer standards.
- Troubleshoot and fix breakdowns promptly to minimize downtime.
- Maintain accurate service and repair records and prepare regular technical reports.
- Monitor spare parts inventory and ensure proper usage of tools and equipment.
- Conduct inspections, overhauls, and enforce safety standards at the station.
- Provide technical recommendations on equipment condition, repairs, and replacement needs.

### **Qualifications & Experience**

- Degree/Diploma in Mechanical or Automotive Engineering.
- Minimum 5 years' proven experience in forklift repair and maintenance (diesel, gas & electric).
- Strong knowledge of hydraulics, transmissions, and electrical diagnostics.
- Ability to work independently
- Good communication, reporting, and problem-solving skills.

### **Key Competencies**

- Strong hands-on technical and diagnostic skills in forklift maintenance and repair.
- Ability to work independently with minimal supervision.
- Problem-solving mindset with quick decision-making under pressure.
- Good communication and reporting skills (able to liaise with head office).
- High level of integrity, reliability, and accountability.
- Safety-conscious with attention to detail.
- Ability to manage spare parts and workshop resources efficiently.
- Customer-oriented and proactive in addressing operational needs.

**How to apply:** Interested candidates should send their updated Curriculum Vitae, academic credentials, and application letter addressed to Head of Human Resource DP World Rwanda on [info.dpworldkigali@dpworld.com](mailto:info.dpworldkigali@dpworld.com) than 17th October 2025.
