

RFP FOR DESIGN, SUPPLY AND INSTALLATION OF GLASS REINFORCED PLASTIC (GRP) TANK

The University of Global Health Equity (UGHE) mission is to radically change the way health care is delivered around the world by training next generations of global health professionals who strive to deliver more equitable, quality health services for all.

The University of Global Health Equity (UGHE) seeks to enhance its water storage capacity and sustainability infrastructure through the design, supply, installation, and commissioning of a modular Glass Reinforced Plastic (GRP) potable water tank system.

The GRP tank will have a total capacity of approximately 400 cubic meters (400 m³) and will be installed above ground on a reinforced concrete base structure. The system shall include inlet and outlet connections (75mm PPR inlet and 110mm HDPE outlet connected to the existing booster pump set for effective water distribution across the campus. The contractor shall design, supply, install, test and commission one (1) factory-manufactured GRP (Glass Reinforced Polyester) storage tank of nominal capacity 400 m³ (400,000 liters) with associated inlet/outlet piping, valves.

The detailed Request for Quotation (RFQ) can be accessed via the University of Global Health Equity's Procurement System at the following link: <https://ughe.app/eprocurement/index.php> Request ID **#3257**

All proposals from interested and qualified bidders must be submitted electronically through the UGHE Procurement System <https://ughe.app/eprocurement/index.php> no later than **17th of December 2025**, 10:00 Kigali time

A mandatory site visit is scheduled on the **10th of December 2025, at 11:00AM, at UGHE Butaro Campus**

It is the bidder's responsibility to ensure that their submission is completed by the deadline, and all documents are Signed, Submitted in PDF format and Free of viruses and corruption. Failure to adhere to these instructions will result in disqualification.

Sincerely,

Shivon Byamukama, PhD
Deputy Vice Chancellor for Administrative and Financial Affairs
University of Global Health Equity
